PURPOSE AND USE

In 1989, the Institutional Abuse Investigation Unit (IAIU) and the Office of Licensing (OOL) entered into a "working agreement" which continues to support their collaboration.

When reading the agreement, please be advised that:

- 1) The Bureau of Licensing (BOL) is now the Office of Licensing (OOL); and
- 2) IAIU, OOL, and the Division of Child Protection and Permanency (CP&P) each report to different divisions within the New Jersey Department of Children and Families (DCF).
